

# CHATTANOOGA 2.0

**BUILDING THE SMARTEST COMMUNITY IN THE SOUTH**

---

## IMAGINE...

Teaching in a community where...

- ...ALL children arrive at Kindergarten ready for school...
- ...ALL students achieve on or above grade level...and
- ...ALL adults have the education and training they need...
- ...to pursue a rewarding career and a better way of life.

## THAT IS THE VISION OF CHATTANOOGA 2.0.

## IMAGINE...

Living in a community where...

5 Chattanooga Basics support early learning

- 1. Maximize Love, Manage Stress**
- 2. Talk, Sing & Point**
- 3. Count, Group, Compare**
- 4. Explore through Movement & Play**
- 5. Read and Discuss Stories**

VW eLabs engage students through innovating teaching and learning in a partnership with Volkswagen.

51 schools are matched with a church partner.

200 students received a market value industry credential during the 2016-2017 school year.

## IMAGINE...

...the possibilities of joining a Chattanooga 2.0 Action Team and becoming involved in the work. Your choices would include: the Early Childhood Coalition, the Great Leaders Great Teachers Action Team, the Expanding Success Action Team, the Innovation Action Team, the Postsecondary & Workforce Development Action Team, the Inclusive Education & Opportunities Team, or the Chattanooga Interfaith Council!

## IMAGINE...

Teaching in the smartest community in the South!
